ROME: LEGACY OF AN ETERNAL CITY

TEACHER WORKSHOP

This four hour workshop is proudly developed in collaboration with the UA Poetry Center. Our activities will be directly connected to the exhibition, “Rome: Legacy of an Eternal City”, which examines how the site of Rome was an artistic inspiration for artists for centuries. This workshop is interdisciplinary, looking to ekphrastic and the epistolary poetry as one way students can respond to the exhibition or works of art.

SEPTEMBER 25 9AM-1PM

University of Arizona Museum of Art
1031 N. Olive Rd
Tucson, AZ
